Post-appraisal Exam Requirements Completion Form

If the student passed the Appraisal Exam conditionally, but must fulfil requirements to pass the appraisal exam and complete their degree, the (co)-supervisor(s) is/are responsible for ensuring that the conditions are met and convincing the supervisory committee that the conditions have been discharged. After that, the (co-)supervisors must fill in this form to record the discharge of conditions to the Graduate Office. The report to the Graduate Office must be completed no later than two weeks beyond the last deadline set out on the Appraisal Exam Report. If this form is not submitted and approved on time, the student will not be in good standing, will not be allowed to register, and funding may be withheld.

Student's Name: _	Date:	
Student Number: _		

Date of the Appraisal Exam: _____

The EEB Graduate Office has provided a copy of the Appraisal Report Form and any other documents describing the conditions that were determined by the Appraisal Examining committee at the Appraisal Exam to the student and (co-)supervisors. For each of the numbered requirements that must be met in order for the student to graduate, indicate how the requirement was met.

(please continue on reverse side or additional sheet if space is insufficient)

The (co)-supervisor(s) have met with members of the supervisory committee and all agree that all of the requirements have been met.

(con't on the next page)

Co-supervisor (printed): _____ (signed): _____

Date:

When the Associate Chair of Graduate Studies of EEB approves this form, the student's appraisal status is considered acceptable. That is, the requirements of the appraisal exam have been discharged and the student has passed the appraisal exam.
