

Registration Form for EEB397Y1Y

Deadline: Friday, September 19, 2025 @ 4:00pm (FALL/WINTER 2025-26)

Student Name	
Student Number	
Supervisor	

The purpose of this form is to outline in advance the expectations and course requirements associated with EEB397Y1 of the student and the supervisor.

- Supervisors must provide students with feedback on the written proposal prior to **February 13, 2026**.

At the end of the course:

- Each student must give an oral presentation of their research. This is typically done at a lab meeting.
- Each project must result in a substantive written report. The final report and presentation combined must be worth a **minimum** of 50% of the final grade with the presentation worth 20%. Please submit the written report to your supervisor in time for them to produce a critique and a final grade.
- The supervisor must submit a final grade and critique of the student's work outlining the strengths and weaknesses of the work, and a rationale for the mark. A copy of this is to be given to the student, and a copy to the Undergraduate Office for Departmental approval. The final grade must be submitted two weeks after the last day of classes to the Undergraduate Administrator.
